### DuPage Student Art Contest & Scholarship Program

For hundreds of years, Fairs have been a place for folks to showcase and share their talents. During a visit to the San Antonio Livestock Exposition what stood out was the enormous support their Western Art Contest received from patrons and other organizations. All were eager to be a part of such a wonderful program that encourages and supports the education of our future generations.

This year the DuPage County Fair Association would like to follow their lead and offer this opportunity to all DuPage County High School Students. They will have the opportunity to showcase their artistic talent and in the process win a scholarship.

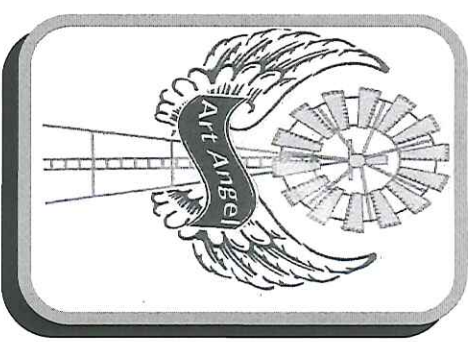

The "Art Angels" program is a way to allow everyone the opportunity to be a part of and support this program. Become an "Art Angel" by donating a minimum of \$50 which will be combined with all other "Angel" donations and then be used to purchase one or more of the Top 12 Contest Winners entries.

Please join us and support this great program to help encourage the continued education of our future generations.

- Admission to 5-Day DuPage County Fair as an Honorary Guest
- Entered into drawing for chance to win purchased artwork

The "Art Angels" buyers group supports the DuPage Student Art Contest & Scholarship Program. The "Art Angels" hold a drawing amongst its donors and award the purchased artwork to the winner. Each patron's \$50 donation provides one chance in the drawing. The "Art Angels" patron whose name is drawn, if present, will be photographed with the student artist who produced the purchased work of art.

In the event that the total amount raised is not sufficient to purchase a piece of art, the proceeds will be carried over to the next year's auction.
